

THE 2018 SCHOLARLY AND RESEARCH COMMUNICATION* INNOVATION AWARD

DEADLINE: APRIL 30, 2018

This award is intended to recognize innovation made or first measured in 2017 by a Canadian scholarly journal that has published at least 15 articles and can provide usage statistics. Innovation should be focused on enhancing readership and/or other forms of engagement with journal content.

ELIGIBILITY

- Located and published in Canada by a Canadian entity
- A majority of Canadians on the active editorial board
- Member and non-member journals of the Canadian Association of Learned Journals (non-members must pay an entry fee of \$100).

HOW TO APPLY

- Include a concise description of the innovation(s), with accompanying materials or access information
- Describe intended or actual impact including measurement techniques.

Entries will be judged by a panel of 3 judges with extensive journal publishing experience. The winner will be announced at the CALJ Annual General Meeting.

*Scholarly and Research Communication is Canadian scholarly journal
