

## **Workshop Logistics**

### ***Location:***

Ottawa is located about five hours northeast of Toronto, and about two hours northwest of Montreal. January and February are the coldest months of the year—bring your warmest clothes.

Ottawa, the national capital of Canada, will be celebrating its Winter Carnival at the time of the Innovation Workshop (February 9 and 10) and the Innovation Conference (February 11 and 12). So, bring your skates! Or rent some on The Canal, and skate the longest skating rink in the world.

### ***Air Travel***

Air Canada flights to Ottawa may be booked online.

Information on visa requirements for visiting Canada can be found on the Internet.

### ***Nearby Places to Stay:***
